CVF/FCV TRAIL RATING GUIDELINES			
PART 1 — INCLINE		PART 2 — TERRAIN	
1	very little hill or stair climbing	A	almost entirely on pavement, probably suitable for a baby stroller
2	some moderate hill or stair climbing	B	a significant part of the walk takes place on well-groomed trails with very little more difficult terrain
3	some significant hill or stair climbing	C	a significant part of the walk takes place on somewhat difficult terrain (rocky/rooted paths)
4	a good deal of significant hill or stair climbing	D	a significant part of the walk takes place on very difficult terrain
5	many steep hills or high altitude trails	E	the majority of the walk takes place on very difficult terrain
6	slope exceeds 90° - missteps tend to be fatal	F	walk is across the caldera of an active volcano guarded by gigantic carnivorous flora and fauna
Extreme weather conditions could also raise the difficulty of the routes; thus, Volkssporters should take caution under certain weather conditions.
